

CardioLux™ HDL

Targeted support for HDL function and cardiovascular health*

Form: Capsules

Flavor: no flavor

Size: 120 Capsules

CardioLux® HDL is designed to support healthy HDL function. This unique formula features pomegranate extract, lycopene, and quercetin, ingredients shown to support the protective function of HDL. In addition, these ingredients also support the activity of paraoxonase (PON), which is important for healthy HDL function and provides anti-oxidant properties.*

Ingredient	Amount Per Serving	% Daily Value
Serving Size	2 Capsules	
Servings Per Container	60	
Vitamin E (as d-alpha tocopheryl succinate)	134 mg	893%
