

Ceralin® Forte

Foundation Neuroprotection Formula*

Form: Capsules

Flavor: no flavor

Size: 90 Capsules

Ceralin® Forte is formulated to provide multidimensional support for brain and nerve health by protecting against oxidative stress, as well as supporting healthy mitochondrial function, methylation, homocysteine metabolism, and circulatory function. Designed to act within the brain and nervous system, this advanced formula features L-5-MTHF (a bioactive form of folate), NAC, and acetyl-L-carnitine—which research suggests may be able to cross the blood-brain barrier—along with concentrated grape seed extract to support vascular and nerve health.*

Ingredient	Amount	Daily Value
Serving Size	3 Capsules	
Servings Per Container	30	
Thiamin (as thiamin mononitrate)	30 mg	2,000%
Riboflavin	30 mg	1,764%
