

Lipotain®

Non-Flush Niacin & Guggul for Healthy Blood Lipids*

Form: Tablets
Flavor: no flavor
Size: 60 Tablets

Lipotain® is a formula designed to help maintain healthy blood lipids by supplying 500 mg of niacin as inositol hexanicotinate per serving. This unique, sustained-release form of niacin is formulated to be effective without the uncomfortable adverse effects associated with conventional niacin, such as flushing. Lipotain also features a standardized extract of guggul resin, to support healthy blood lipid levels already in the normal range and complement the activities of inositol hexanicotinate.*

Ingredients	Amount Per Serving	% Daily Value
Serving Size	1 Tablet	
Servings Per Container	60	
Niacin (as inositol hexanicotinate)	500 mg	3,125%
Guggul (<i>Commiphora mukul</i>) Resin Extract (containing guggulsterones)	375 mg	*

Other Ingredients: Microcrystalline cellulose, stearic acid (vegetable), cellulose, magnesium stearate (vegetable), silica, croscarmellose sodium, and coating (hypromellose, mediumchain triglycerides, and hydroxypropylcellulose).

Directions: Take one tablet three times daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Caution: Niacin may be associated with itching and/or other allergic reactions.

Warning: Do not use if pregnant or breastfeeding or if you have a history of gout, kidney, or liver dysfunction. Larger than recommended doses of niacin have been associated with liver dysfunction. If taking cholesterol lowering medications, blood thinners, or using non-steroidal anti-inflammatory medications (NSAIDs) please discuss with your clinician prior to use.

Storage: Keep tightly closed in a cool, dry place.

*Daily Value not established.
