

Probioplex® Intensive Care 5.29 oz (150 g) Powder

Bioactive Immunoglobulins & Prebiotic Factors

Form: Powder

Flavor: no flavor

Size: 5.29 oz (150 g) Powder

Probioplex® Intensive Care is an innovative formula produced by a temperature/pH controlled micro-filtration process that yields biologically active immunoglobulins. These immunoglobulins support healthy intestinal immune activity. In addition, Probioplex Intensive Care supplies lactoferrin and lactoperoxidase, proteins that support intestinal health and friendly bacteria such as lactobacilli and bifidobacteria.*
