

Kaprex®

Selective Kinase Response Modulators for Joint Comfort*

Form: Softgels Flavor:

Size: 60 Softgels

Kaprex* provides a plant-based option for effective joint comfort. This proprietary combination of selected plant components influences kinase signaling and the formation of certain substances, such as PGE₂, that are associated with minor discomfort. Clinical testing suggests that Kaprex may offer a high degree of predicted cardiovascular, gastric, renal, and liver safety.*

Ingredients	Amount Per Serving	% Daily Value
Serving Size	1 Softgel	
Servings Per Container	60
