

Product No. RN134

Omega-3 Plus™

Pure High Potency Fish Oil

Features & Benefits

Omega-3 Plus™ contains 360 mg EPA and 240 mg DHA in each absorbable softgel. Omega-3 Plus™ is processed utilizing high vacuum molecular distillation. This more expensive processing guarantees the highest purity EPA/DHA available. Each batch is subjected to stringent testing to assure every soft gel is free of heavy metals and other contaminants.

Suggested Use

As a dietary supplement, take two soft gels 1-2 times daily, preferably with meals.

| Supplement Facts | | |
