

Vitamin C Gummy

DESCRIPTION

Vitamin C gummy provides support for a healthy immune system and cellular health.‡

INDICATIONS

- Support for immune function and daily wellness‡
- Support for cellular health‡

FUNCTIONS AND MECHANISM OF ACTION

Vitamin C is an essential micronutrient that supports the immune system by providing antioxidant activity against reactive oxygen species. Vitamin C supports the body's defense system by enhancing white blood cell function and activity, as well as promote interferon levels, antibody responses, and secretion of thymic hormones. Additionally, it maintains healthy mast cell function and supports lymphocyte formation.‡

FORMULA (#202674)

Serving Size 2 Gummies

Calories	5
Total Carbohydrate	3 g
Total Sugars	<1 g
Includes <1 g of Added Sugars	
Vitamin C (as ascorbic acid)	250 mg
