

Natural Glandulars

Formulated by Dr. Nicholas Gonzalez, M.D.

Allergy Research Group® offers a unique line of glandular products, originally developed and formulated by Dr. Nicholas Gonzalez, M.D. in collaboration with Stephen Levine, Ph.D. Dr. Gonzalez was a preeminent expert in Glandular Nutrition, and ARG is proud to have developed a comprehensive line of Glandular Nutrition products under Dr. Gonzalez's guidance.

Glandular purity is of crucial importance. Our glandulars are formulated according to our strict specifications. We primarily use glandular material obtained from government inspected, range-grazed animals, raised in Australia and New Zealand, where animal husbandry regulations are among the strictest in the world, and prohibit the feeding practices that have caused problems in other countries.* The only exception to this is the Adrenal Cortex, which is sourced from Argentina, a country free from Bovine Spongiform Encephalopathy (BSE). Each lot of our glandular materials is subject to stringent microbial, heavy metal, and contaminant testing.

Glandulars are lyophilized (freeze dried), which means the material is immediately frozen, then subjected to a high vacuum that vaporizes moisture directly from the solid state. This sophisticated and sensitive technique respects the delicate nature of the material, and except for the water content, leaves in everything that naturally occurs in glandular tissue, including any fat content.* In addition, our glandulars are subject to in-process as well as finished product testing.

Pancreas Natural Glandulars from lamb, pork and beef can be used in rotation by those who are highly sensitive.* We suggest that glandular products not be refrigerated, but be stored in a cool, dry place. Humidity in refrigerators may reduce their stability. *No health claims are made for these products.*

Glandular Products

Adrenal Natural Glandular, #70461, 150 Capsules

Each capsule contains: Adrenal (Bovine, Lyophilized) 100 mg

Other ingredients: Hydroxypropyl methylcellulose, microcrystalline cellulose, silicon dioxide, L-leucine.

Adrenal Cortex Natural Glandular, #70531, 100 Capsules

Each capsule contains: Adrenal Cortex (Bovine, Lyophilized) 100 mg

Other ingredients: Hydroxypropyl methylcellulose, microcrystalline cellulose, L-leucine.

Bone Marrow Beef Natural Glandular, #76510, 100 Capsules

Each capsule contains: Bone Marrow (Bovine, Lyophilized) 500 mg

Other ingredients: Hydroxypropyl methylcellulose, microcrystalline cellulose, L-leucine.

Hypothalamus Natural Glandular, #70810, 100 Capsules

Each capsule contains: Hypothalamus (Bovine, Lyophilized) 500 mg

Other ingredients: Hydroxypropyl methylcellulose, silicon dioxide, L-leucine.

Immuno-Gland Plex Natural Glandular, #70450, 60 Capsules

Each capsule contains: Adrenal (Bovine, Lyophilized) 125 mg, Thymus (Ovine, Lyophilized) 125 mg,

Pancreas (Porcine, Lyophilized) 125 mg, Spleen (Bovine, Lyophilized) 125 mg

Other ingredients: Hydroxypropyl methylcellulose, silicon dioxide, L-leucine.

Kidney Beef Natural Glandular, #72800, 100 Capsules

Each capsule contains: Kidney (Bovine, Lyophilized) 500 mg

Other ingredients: Hydroxypropyl methylcellulose, L-leucine.

Liver Powder Natural Glandular, #70480, 200 Grams (7.1 oz.) Powder

Each teaspoon contains: Liver Powder (Bovine, Lyophilized) 2.5 g

Liver Beef Natural Glandular, #70470, 125 Capsules

Each 2 capsules contain: Liver (Bovine, Lyophilized) 1000 mg

Other ingredients: Hydroxypropyl methylcellulose, L-leucine.

Pancreas Natural Glandular, from Pork, #71640, 60 Capsules; #71650, 720 Capsules

Pancreas Natural Glandular, from Lamb, #71630, 90 Capsules

Each capsule contains: Pancreas gland (Ovine or Porcine - Lyophilized) 425 mg

Other ingredients (Lamb 90 Capsules): Bovine gelatin, microcrystalline cellulose, L-leucine.

Other ingredients (Pork 60 Capsules, 720 Capsules): Bovine gelatin, microcrystalline cellulose, magnesium stearate, silicon dioxide.

TG 100, Natural Glandular, #71800, 100 Capsules (available to healthcare practitioners only)

Each capsule contains: Vitamin C (Ascorbic Acid) 120 mg, Thymus (Ovine, Lyophilized) 5 mg,

Adrenal (Bovine, Lyophilized) 5 mg, Spleen (Bovine, Lyophilized) 5 mg,

Pancreas (Porcine, Lyophilized) 5 mg, Thyroid (Bovine, Lyophilized) 40 mg

Other ingredients: Hydroxypropyl methylcellulose, cellulose, L-leucine, silicon dioxide.

Thymus Natural Glandular, #71610, 75 Capsules

Each 2 capsules contain: Thymus (Ovine, Lyophilized) 1000 mg

Other ingredients: Hydroxypropyl methylcellulose, silicon dioxide, L-leucine.

Thyroid Natural Glandular, #71810, 100 Capsules (available to healthcare practitioners only)

Each capsule contains: Thyroid (Bovine, Lyophilized) 40 mg

Other ingredients: Hydroxypropyl methylcellulose, microcrystalline cellulose, L-leucine.
