PROFESSIONAL FORMULAS

What is PectaSol?

PectaSol is a specialized form of citrus pectin, modified via a proprietary enzymatic and pH process to produce a highly absorbable and bioactive super-nutrient with a comprehensive range of essential health benefits—all the way down to the cellular level.*

- High performing cellular activity*
- Immune balancing*
- Safe detoxification*
- Optimal aging*

Unparalleled support for total-body health and aging.*

High-Performing Cellular Activity*

PectaSol works through unique mechanisms to optimize cellular activity and communication. Independent, third-party research and multiple clinical studies continue to demonstrate PectaSol's unparalleled ability to promote optimal cell, organ and tissue function, with extensive benefits for long-term health and wellness.*

Immune Balancing*

Rather than boosting your immune system, PectaSol works to balance and optimize immune activity for the most appropriate response. This helps ensure healthy defenses, while preventing damaging immune over-reactions—so vital organs and tissues can stay healthy.*

Safe Detoxification*

PectaSol is clinically proven to safely reduce body burden of toxic lead, mercury, arsenic and other environmental toxins, without disrupting essential minerals.*

Super-nutrient for total-body health.*

PectaSol-C® Professional

Modified Citrus Pectin

Optimal Aging*

PectaSol's ability to promote a healthy life span is attributed to its unique structural properties that work to promote healthy cells, tissues and organs against deterioration that comes with normal aging.*

Enhances Other Protocols*

One of PectaSol's most remarkable actions is its proven ability to synergize with other protocols and approaches, for enhanced benefits and greater results. PectaSol is shown in published studies to work synergistically with conventional oncology approaches, as well as ecoNugenics formulas BreastDefend, ProstaCaid and HonoPure for even greater cellular and total-body benefits.*

Suggested Use

MAXIMUM SUPPORT

Take 15 grams per day (3 scoops powder or 18 capsules) in 2-3 divided doses, with liquid, on an empty stomach.

MAINTENANCE SUPPORT

Take 5 grams per day (1 scoop or 6 capsules) with liquid, on an empty stomach—or as recommended by your healthcare practitioner.
