What is RegeneRest®?

RegeneRest® is a restorative sleep repair formula with a unique blend of botanicals, extracts and nutrients for optimal rest and rejuvenation. More than just a sleep aid, RegeneRest® promotes relaxation and a sense of calm, supports deep restful sleep, balances body clock rhythms, and optimizes nighttime repair processes—for a feeling of freshness and renewal upon waking*

- Natural relaxation*
- GABA support*
- Healthy circadian rhythms*
- No next-day drowsiness*

Optimize Your Health through Restorative Sleep*

GABA Support Blend for Relaxation and Sleep*

GABA (Gamma-Aminobutyric Acid) is a primary neurotransmitter that exerts a relaxing effect on the nervous system. RegeneRest® offers natural GABA support with three powerful extracts: HonoPure 98% honokiol derived from *Magnolia officinalis* bark, lemon balm, and

passionflower. L-theanine, L-tryptophan and a small amount of melatonin support relaxation and restful sleep.*

Together, these extracts and nutrients provide the primary relaxation and deep sleep benefits found in RegeneRest®*

restorative sleep repair

Regenerative Botanical Blend*

Traditional Asian botanicals add powerful, regenerative benefits and make RegeneRest® one of the most unique and effective sleep and rejuvenation formulas available. Shi Chang Pu (*Acorus gramineus*), Bai Shao (*Paeonia lactiflora*) and others support healthy sleep cycles while optimizing the body's repair mechanisms.*

These prized botanicals work together to support the liver, kidneys, brain and nervous system, and other key areas of health during sleep. The result is a powerful relaxation and sleep formula with additional rejuvenating and restorative benefits—for optimal health and overall vitality.*

How to Use

As a dietary supplement, take 2 capsules at bedtime, or as recommended by your healthcare practitioner.
