

# Wholly Immune

## Total Immune Nutrient Support\*

**Wholly Immune** is a comprehensive powdered blend of nutrients and herbs designed to support general nutrition, immune system function, liver detoxification, and provide antioxidant support.\* Wholly Immune was originally formulated by Friedrich Douwes, MD, founder of the renowned Klinik St. Georg in Bad Aibling, Germany, and Stephen A Levine, PhD, founder of Allergy Research Group. Dr. Douwes recognized a need for pre-care, "detox," and post-care nutrient support as part of his therapies, and so he and Dr. Levine developed this unique comprehensive formula with a delivery system palatable for broad use.

Wholly Immune has been updated to include vitamins B2, B6, B12, and folate in bioactive coenzyme forms, as well as SelenoExcell®, a selenium complex produced by yeast, and MaitakeGold 404® blend, a proprietary blend of whole mushroom mycelium powders with a unique and potent extract of maitake.\* In addition to this, the updated formula includes clinically-relevant dosages of lycopene as well as astragalus, turmeric, broccoli (sulforaphane), Panax ginseng, decaffeinated green tea standardized extract, and additional antioxidants.\* This blend is available at a fraction of the cost of all of these nutrients taken separately, and is convenient and easy to use due to its powder delivery format.

#73560 • 300 grams powder  
 #73820 • 900 grams powder

"Nutritional support is essential for all patients. Wholly Immune nourishes these patients who are usually depleted and thereby allows other protocols to be even more effective.\* I recommend to all my patients, where feasible, pre-and post-medical treatment with Wholly Immune supplementation."

- Dr. Friedrich Douwes, M.D., founder of the St. Georg Medical Klinik, Germany

Both MaitakeGold 404® and SelenoExcell® have been clinically shown to support immune system function.\* MaitakeGold 404® is a proprietary hydro-alcohol extract from the maitake fruit body with optimized immune-enhancing properties.\* The mushroom mycelium powders use a hot-water process which releases the active compounds from the indigestible cell walls into bioavailable forms for immune support.\* The ten medicinal mushrooms include: reishi (*Ganoderma lucidum*), oyster mushroom (*Pleurotus ostreatus*), turkey tail mushroom (*Coriolus versicolor*), lion's mane (*Hericium erinaceus*), shiitake (*Lentinula edodes*), maitake (*Grifola frondosa*), chaga (*Inonotus obliquus*), poria (*Poria cocos*), *Schizophyllum commune*, and *Agaricus blazei*. SelenoExcell® is an organically bound high-selenium compound from yeast that provides a complex blend of selenocompounds of which approximately 70% is selenomethionine. Studies suggest that the blend of selenium compounds found in food-sourced selenium are

necessary for cellular-protective benefits.\* Although extracted from yeast (*Saccharomyces cerevisiae*), SelenoExcell® is completely yeast-free.

Bioactive coenzyme B-vitamins are essential to detoxification and enzymatic processes in the liver, and N-acetyl cysteine, lipoic acid, trimethylglycine, taurine, turmeric, quercetin, and sulforaphane are also known to support liver detoxification and elimination processes.\* Antioxidant action is enhanced with lycopene, decaffeinated green tea extract, quercetin, vitamin C, and vitamin E as EVNoI Max™, a water-dispersible full-spectrum palm tocotrienol/tocopherol complex.\* Extracts of Panax ginseng and astragalus are included for their immune-enhancing effects, while ginseng also promotes healthy energy levels throughout the day.\* Essential vitamins, minerals, and L-carnitine support normal energy levels and healthy cellular and mitochondrial function.\* Together, this blend of nutrients and botanicals make Wholly Immune an excellent combination to support normal nutritional needs of the body with a special emphasis on the immune system.\*

## Supplement Facts

Serving Size 1 Scoop (20 g)  
Servings Per Container 15 (#73560) and 45 (#73820)

Amount Per Serving	Amount Per Serving	% Daily Value*	Amount Per Serving	% Daily Value*	Amount Per Serving	% Daily Value*
Calories 74	Vitamin E (as 1.4 IU of d-Alpha Tocopherol) 0.94 mg	6%	Magnesium (as Bisglycinate) 150 mg	36%	( <i>Brassica oleracea</i> ) 100 mg	†
<b>% Daily Value*</b>	Natural d-Mixed Tocotrienols 3.74 mg	†	Zinc (as Zinc Picolinate) 15 mg	136%	Decaffeinated Green Tea (Leaves) Extract (30% Catechins and 40% Polyphenols) ( <i>Camellia sinensis</i> ) 200 mg	†
Total Fat 0.7 g	d-Gamma-Tocotrienol		Selenium (from SelenoExcell® organically bound high - selenium yeast) 100 µg	182%	MaitakeGold 404® 5% with Multi-Mycelia Blend containing: <i>Ganoderma lucidum</i> , <i>Pleurotus ostreatus</i> , <i>Coriolus versicolor</i> , <i>Schizophyllum commune</i> , <i>Hericium erinaceus</i> , <i>Lentinula edodes</i> , <i>Grifola frondosa</i> , <i>Inonotus obliquus</i> , <i>Poria cocos</i> , <i>Agaricus blazei</i> , MaitakeGold 404® ( <i>Grifola frondosa</i> extract) 150 mg	†
Cholesterol 7 mg	d-Alpha-Tocotrienol		Copper (as Copper Bisglycinate) 1 mg	111%	Bromelain (1200 GDU/g) 200 mg	†
Sodium 69 mg	d-Delta-Tocotrienol		Manganese (as Manganese Citrate) 2 mg	87%	Turmeric (Root) Extract (95% Curcuminoids) 500 mg	†
Total Carbohydrates 10 g	d-Beta-Tocotrienol		Chromium (as Chromium Picolinate) 50 µg	143%	Asian Panax Ginseng (Root) Extract (12% Ginsenosides) 250 mg	†
Dietary Fiber 3 g	Thiamine (as Hydrochloride) 10 mg	833%	Molybdenum (as Sodium Molybdate) 100 µg	222%	Astragalus (Root) Extract (40% Polysaccharide) 250 mg	†
Total Sugars 0.5 g	Riboflavin (as Riboflavin-5-phosphate) 10 mg	769%	Potassium (as Potassium Gluconate and Potassium Iodide) 100 mg	2%	Alpha Lipoic Acid 100 mg	†
Protein 6.6 g	Niacin (as 50% Niacinamide and 50% Nicotinic acid) 25 mgNE	156%	N-Acetyl Cysteine 250 mg	†		
Iron (naturally occurring) 1.3 mg	Vitamin B6 (as Pyridoxal-5-phosphate) 10 mg	588%	Lycopene 4 mg	†		
	Folate (as 100 µg of 5-Methyltetrahydrofolate Biofolate®) 167 µgDFE	42%	L-Carnitine 250 mg	†		
Vitamin A (as 5000 IU of Retinyl Acetate) 1502 µgRAE	Vitamin B12 (as Methylcobalamin) 200 µg	8333%	Taurine 125 mg	†		
Vitamin C (as Calcium Ascorbate) 1 g	Biotin (as d-Biotin) 100 µg	333%	Trimethylglycine 250 mg	†		
Vitamin D3 (as 800 IU of Cholecalciferol) 20 µg	Pantothenic Acid (as Calcium Pantothenate) 25 mg	500%	Quercetin Dihydrate 250 mg	†		
EVNoI Max™ 15% Powder (non-GMO) 34 mg	Calcium (as Ascorbate and Pantothenate) 135 mg	10%	Sulforaphane (Broccoli Extract 20:1)			
containing:	Iodine (as Potassium Iodide) 50 µg	33%				

Other ingredients: Psyllium husks, whey protein concentrate, oat bran, xylitol, rice bran, apple fiber, soy protein concentrate, silicon dioxide.

**Suggested Use:** As a dietary supplement, 1 level scoop one or two times daily, or as directed by a healthcare practitioner. Wholly Immune is best mixed in a jar or shaker with 2 to 3 ounces of juice or other beverage such as soy milk. Drink immediately and follow with several more ounces of liquid.
